## **ST. JOHN'S INCLUDED IN BECKER'S "100 GREAT PLACES TO WORK IN HEALTHCARE"**

SPRINGFIELD – St. John's Hospital has been named to Becker's Hospital Review and Becker's ASC Review annual list, "100 Great Places to Work in Healthcare." The hospitals, health systems, ambulatory surgery centers and physician groups included in this list offer robust benefit packages, positive work environments, excellent employee recognition programs and opportunities for professional development and continuing education.

"This recognition from Becker's is yet another affirmation of St. John's Hospital being a great place to work," said Becky Puclik, Chief People Officer at St. John's. "We are very proud to be among such a nationally recognized and admired group of health care organizations."

St. John's was named a "Best Places to Work" winner in the *Springfield Business Journal* for both 2011 and 2012.

The Becker's Hospital Review and Becker's ASC Review editorial teams accepted nominations for the 2013 list and selected recipients based on nominations and thorough editorial research. In addition to St. John's Hospital, the recipient list includes Advocate Health Care (Oak Brook, Ill.), Cleveland Clinic, Mayo Clinic (Rochester, Minn.), St. Jude Children's Research Hospital, and University of Chicago Medical Center.

### ABOUT HOSPITAL SISTERS HEALTH SYSTEM

Hospital Sisters Health System is a Roman Catholic health care mission founded to continue the healing ministry of Jesus Christ. Sponsored by the Hospital Sisters of St. Francis, HSHS provides state-of-the-art health care framed in traditional values taught by St. Francis and St. Clare of Assisi. It is dedicated to serving all people, including the poor and the needy, at each of its 13 Local Systems in Illinois (Belleville, Breese, Decatur, Effingham, Highland, Litchfield, Springfield and Streator) and in Wisconsin (Chippewa Falls, Eau Claire, Sheboygan and two in Green Bay). For more information about HSHS, visit [www.hshs.org](http://www.hshs.org).

### ABOUT BECKER'S HOSPITAL REVIEW

Becker's Hospital Review is a monthly publication offering up-to-date business and legal news and analysis relating to hospitals and health systems. Our content is geared toward high level hospital leaders, and we work to provide valuable content, including hospital and health system news, best practices and legal guidance specifically for these decision makers. Each issue of *Becker's Hospital Review* reaches more than 18,000 people, primarily acute-care hospital CEOs and CFOs.
