Yvonne Schmutde received her BSN from Mennonite College of Nursing and her MS from the University of Illinois-Chicago. She is currently an Instructor of Nursing at St. John's College in Springfield, Illinois, a position she has held since 2000. Yvonne has twelve years of experience in undergraduate nursing education in the classroom and clinical setting. She has taught courses in Pathophysiology/Pharmacology, Adult Medical-Surgical nursing for junior level nursing students and Complex Adult Medical-Surgical Nursing and Critical Care Nursing for senior level nursing students. She has been a member of the American Association of Critical Care Nurses for 27 years and is CCRN certified. She is also a member of Sigma Theta Tau and the National League for Nursing and is CNE certified. She has 25 years of clinical nursing experience in medical and surgical intensive care, cardiovascular intensive care and cardiac cath lab. She is chair of the NCLEX-RN ad-Hoc Committee and has done research regarding factors predictive of NCLEX-RN success specific to students at St. John's College.
