Beth M. Beasley MA, RN is currently the Student Development Officer at St. John's College, Department of Nursing, Springfield, Illinois. She began her career in Education in 1982. Her educational background includes a Bachelor of Science in Education from Illinois State University; Master of Arts in Marketing and Communications from the University of Illinois at Springfield, (formerly Sangamon State University) and an Associate Degree in Nursing from Lincoln Land Community College. She joined St. John's College in 1989 after working as a nurse in a critical cardiac care unit. Her responsibilities at St. John's College are to strive to uphold the mission of the student development office which is to anticipate, plan for, and respond to the needs of a diverse and changing student body by providing services and programs that promote physical and emotional well-being and foster intellectual and personal growth.
